

Enterprise Workforce Transformation Package

Over \$400 million for a suite of initiatives to provide greater support for companies to embark on workforce transformation.

Enterprise Workforce Transformation Package (EWTP)

NEW

SkillsFuture Workforce Development Grant (WDG)*

Increase accessibility to workforce development schemes

- Brings together existing Government workforce transformation schemes (e.g. WSG's Career Conversion Programmes, SSG's NACE¹ Workplace Learning Project).
- Companies can access a holistic suite of workforce development support through the Business Grants Portal (BGP) and anchor Programme Partners.

¹ NACE refers to the National Centre of Excellence for Workplace Learning

Enhance support for job redesign

- Expands support beyond consultancy services to include:
 - Equipping line managers and HR with job redesign and change management skills.
 - Identifying workforce solutions and technology tools.
- Eligible companies can enjoy higher funding support of up to 70%.

REDESIGNED

SkillsFuture Enterprise Credit (SFEC)*

Lower costs for workforce transformation

- Online wallet with fresh \$10,000 credit for companies with at least 3 resident employees.
- Credits can be used to offset out-of-pocket expenses for eligible workforce transformation initiatives and courses.
