

19 June 2020

**Lifting Equipment and Pressure Vessel Owners
Authorised Examiners
All Interested Parties**

**RESUMPTION OF ACTIVITIES AT WORKPLACE PREMISES DURING PHASE 2 OF
SAFE REOPENING - ADVISORY ON THE SAFE USE OF LIFTING EQUIPMENT AND
PRESSURE VESSEL**

On 15 June 2020, the Multi-Ministry Taskforce on COVID-19 had announced that Phase 2 of the country's reopening will start on 19 June 2020.

2 The Ministry of Manpower (MOM) would like to remind owners of Lifting Equipment and Pressure Vessel to **ensure that such equipment are safe for use prior to the resumption of work**. This is to prevent any risk of accident involving the use of such equipment, especially when the Lifting Equipment and Pressure Vessels had been left in an idle state and not in use over the past 2 months during the circuit breaker period.

3 Owners of Lifting Equipment and Pressure Vessels are reminded to take all necessary measures and precautions, including the carrying out of proper risk assessments and the conduct of necessary checks and examination to ensure that these equipment are able to start-up and continue to operate safely, prior to resumption of work.

4 For further information, you may contact MOM at mom_oshd@mom.gov.sg.
