Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years.
The cards are replaced upon the CO's successful renewal of registration at the end of the validity period.
They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing.
This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

Crane Operators (CO)

Note:

1. The information provided in this list is accurate as of **19 May 2026**.
2. All registered Crane Operators (CO) are issued with a registration card having a validity period of 2 years. The cards are replaced upon the CO's successful renewal of registration at the end of the validity period. They shall produce the cards for identification purposes if necessary.
3. The REFERENCE NO. is printed on the certificate card issued by MOM to registered Crane Operators (CO).
4. This list provided is for awareness purposes only. It is for restricted use in the context of this document and should not be further reproduced without permission in writing. This list should not be used as a formal reference for legal arbitration.

NAME	REFERENCE NO.	SCOPE	FIRST APPROVED	EXPIRY DATE
ZULKIFLI BIN MOHAMED AROON	084-007-07599	Crawler Crane	28/10/2008	10/11/2026
