

SERVICE PROVIDERS OFFERING HYGIENE MONITORING SERVICES

Noise monitoring

Under WSH (Noise) Regulations 7, noise monitoring must be carried out at least once every 3 years, if your workplace has 10 or more people likely to be exposed to excessive noise. Noise monitoring must be done by a competent person, who has completed the WSQ course on “Monitoring Noise and Vibration”.

Toxic substances monitoring

Under WSH (General Provisions) Regulations 39, regular monitoring must be carried out if your workplace uses or generates toxic substances. Toxic substances monitoring must be done by a competent person, who has completed the WSQ course on “Measure Exposure and Assess the Risk due to Hazardous Substances”.

The list below is for reference only and the inclusion of companies in it does not in any way imply recommendation, endorsement or warranty of any kind whatsoever on the part of the Ministry of their products/services. It is not exhaustive and will be updated from time to time. MOM reserves the right to remove companies from this list.
