

SERVICE PROVIDERS OFFERING INDUSTRIAL AUDIOMETRIC EXAMINATIONS

This list of service providers includes companies that offer industrial audiometric testing and has a Designated Workplace Doctor (DWD) or partnered with a DWD to conduct medical examinations as required under the Workplace Safety and Health (Medical Examinations) Regulations.

When engaging any of these providers, employers should request and review documentation to verify their service standards. This documentation includes but is not limited to:

1. Yearly calibration certificates for audiometers used,
2. Yearly noise assessment reports or manufacturer certifications showing that sound-attenuating booths (both fixed and mobile) meet MOM's requirements¹,
3. Training certificates² of audiometric technicians who will be conduct the testing

Disclaimer: This list is provided for reference only. The inclusion of any company in this list does not mean that the Ministry recommends, endorses, or guarantees their services in any way. This list may not include all service providers in Singapore and will be updated periodically.
